When a student experiences

ANAPHYLAXIS

... A LIFE-THREATENING ALLERGIC REACTION

... Every Second Counts

Imagine sending your child or teen to school knowing that contact with the wrong food or an insect sting could kill her without the proper emergency procedure in place.

**Better Allergy
= Safety in
Ontario Schools**

BILL 3 will help protect children and youth with life-threatening allergies while they are in school.
Province-wide standards in Ontario schools would include

- **AWARENESS** = Know the students at risk and their allergens
- **AVOIDANCE** = Know how to stay safe
- **ACTION** = Know how to save a student's life
